

REMARKS

In response to the Restriction Requirement dated February 26, 2003, the applicant hereby elects the species directed to Figure 2 (claims 1-16 and 32-36) without traverse. Non-elected claims 17, 18, 20, 22 and 26-31 have been withdrawn without prejudice to requesting consideration of these claims upon allowance of a generic claim, or pursuing these claims in a divisional, continuation, continuation-in-part or other application.

Accordingly, upon allowance of generic claims, applicant requests consideration of claims to additional species which are written in dependent form or which otherwise include all the limitations of the allowed generic claims.

Consideration of the elected claims is now requested.
